Dominion and 41st needs attention.

•OLD BUSINESS

Mailboxes – 1 box Whitney sent deposit to vendor. Mail box ordered waiting for it to arrive and when it comes in she will schedule the install.

Trail Signage: Tim Delehanty has come up with a final comprensive sign, Heather Thomas has sent it off to the sign company waiting for a bid for the company. Tim Delehanty will work on figuring out how to get them installed.

Electonic Voting Update: Working with a third party business called Election Buddy they had a demo to see how it works. They sent out a pricing guideling. Price starts at \$300.00 and can go as high is \$1200.00 with lots of added on support. They also provided Steve Deschais with names of other HOAs that they have worked with. Steve is working on calling some to of the HOA's and also asking about how they were able to get consent. Steve has not followed up with Jubilee whether they would like to do E-voting as well but if they don't we need to get going on this for the next voting session. A lawyer that Heather has talked to stated he did not recommend Election Buddy for HOA voting. Discussion regarding consent for E-voting by each homeowner documents and verbiage.

The attorney has created a consent form for the E-voting and Debbie Crews is working on getting all the information for the new residents that are coming into the community.

Nisqually Land Trust; Eric reached out and stated that his has sent the information to the attorney, Steve and Debbie will talk to him about the gate and other issues.

Mailbox Curb Painting:: City to tape off the areas to paint and Heather will get a handyman to do the job when we get the paint, 5 gallon buckets \$105.00.

•

Electronic Card Key System Update – Tim Delehanty : Pioneer fire should be getting the quote for the key update. We should get a cost for the key for the beach to give to Nisqually land Trust. – The cost of the system would be \$5189, there would be a monthly fee for a hot spot, plus cost of plastic, and inputting the data. We need to continue to look at this and work on other projects first

Architectural Guidelines

21- Air Conditioning -See attachment - Discussed the PIR requesting putting an A/C in their window. Bruce does not feel it is necessary to change the rules at this time. We will need to update the rules add no A/C units on the front of the home, only on the side or back of the home only.

Reservation Violation Penalty; There was no discussion

Pickleball Guest Policy Violation Penalty No Discussion

Publishing and Distribution: For rules that have changed we only have to send out the pages that have been changed. Heather will check to see if it is okay to include the consent letter with the Rules Changes, or we can add the consent letter with the bill.

Mailbox curb painting- City stated that they will not come out and mark it off so we do not have to coordinate with the City., the paint is on back order we may get it by July

Basketball Court Expansion Project- Tim has recieved bids for concrete for the basketball expansion. If we change the direction of the court it will add approximately \$10,000 to the bill. R & K bid was for \$44,500 includes everything except \$36,323, Fencing is Summit Fencing \$7,990.00 Resurfacing the court \$6,575. Possbily a net to be installed between the 3rd pickleball court and basketball court for protection when both activities are in play. We will have to ask the pickleball club to stay off the courts for one week. This improvement will include concrete for 5 benches.

Motion to approve installation of Basketball court expansion was made by Cheri Wilkins not to exceed \$75,000 from the CIF fund. Discussion, Steve Lake suggested moving the amount to 80,000 as there may be costs that may change and we do not know the costs of the Net. Bruce Koty seconded, Unanimous approval.

Eagles Bluff/woodland Cove Fence Addendum -Complete and Posted

Irrigation Controller Improvements – Steve Lake was disappointed that Brightview did not have the ROI for the upgrade. If we move forward with the project it will only be for the automated controllers for the common areas. There was a concerned that the bid was only looking at Edgwater common areas not all the HPCA common areas.

New Business:

JCA/HPCA membership sharing- Very positive, the process is being set up to make it easier for sharing new home owners information as theymove in

EPIC- Steve Deschais needs to see if there is support from the Edgewater community if we do not get a good response then we will shelve it, or move forward depending on the response. Debbie will send out an e-blast when Steve gets her something to send.

Sidewalk Metal Frame - Heather stated that the contractor wants to meet out at Edgewater to see what he needs to do the job

Pickleball Club: requests to have classes for kids in July and a camp in August. We will advertise in the newsletter and on the Website
