I UNDERSTAND AND AGREE THAT:

1. No work on this request shall commence prior to written approval being received from the Board of Directors. The Board has 30 calendar days after the ACR application is received by the property manager in order to make a decision. The Homeowner assumes all risk in signing work contracts prior to the Board's decision.
2. All improvements other than new residences approved by the Board must be completed within one hundred eighty (180) days after approval. Failure to complete the work within the prescribed time period will cause the approval to be rescinded. It is the responsibility of the Owner to bring extenuating circumstances or issues to the Board in a timely manner.
3. All work must be done with full compliance with Federal, State, County, Local or Agency Laws, Regulations, Codes and Policies.
4. Within thirty (30) days of completion of the improvements, the Owner will notify the Board in writing of such completion. At their sole discretion, the Board has the right to inspect all improvements for compliance with the ACR application & use outside inspectors as needed.
5. The "Conditions of Approval" section of the Architectural Standards for the Homeowners Association shall apply to any approval.
